Suitability to the role

Dawid is a dedicated Cost Consultant at Arcadis. He has gained a degree in Quantity Surveying at Liverpool John Moores University. Since then, he has worked for a contractor in London focusing on civil and utility projects where he gained valuable on-site knowledge, he then ventured into the consulting sector working at a firm in Altrincham, focusing on commercial and residential projects in the Northwest. He has since continued his career by becoming a Cost Consultant in the Water Optimisation sector at Arcadis.

With plenty of experience under his belt Dawid is determined to work toward his professional accreditation with the RICS to become a chartered surveyor and a valuable member of the company.

Project Experience

Graduate Quantity Surveyor

Enabl Consulting, Altrincham - February 2025 – August 2025

At Enabl Dawid was exposed to the Client side of Quantity Surveying. Across numerous projects in Manchester and key areas in the Northwest, Dawid shared reports, forecasts, cost analysis and many other services that were offered to the client.

- Cost Analysis – Produced reports on project feasibility, contractor bid comparisons, Value engineering schedules and change management schedules that were shared with Clients and Contractors.
- Software Proficiency – Using Bluebeam and other measurement software to produce schedules of work and create accurate cost estimation reports.
- Leading and Facilitating Meetings Contractors and Clients - including design coordination and dispute resolution to ensure client expectations are clearly understood and consistently met.

Graduate Quantity Surveyor

Blu-3 Ltd, London – September 2024 – February 2025

At Blu-3, Dawid was located on a civil engineering project at Broadgate Circle in Central London, where Blu-3 were subcontracted under a tier 1 Contractor. In this role, Dawid was responsible for submitting & analysing valuations, collaborated closely with the main contractor and various subcontractors ensuring the delivery of the project in accordance with the brief, Blu-3 managed multiple trades to ensure completion of the project.

- Contractual Documentation - Drafting & preparation of forms/reports (EWN's, variations, claims, etc).

- Application Valuation - Submitting & reviewing valuations from main contractors and subcontractors.
- Measurement - Producing accurate measurements & take-offs for cross-referencing, site diaries, valuations, etc.

Duty Manager/Sports Advisor

Decathlon, Warrington – June 2023 – August 2024

At Decathlon Dawid worked in the Mountain sports department as a Duty Manager & Sports Advisor. Daily tasks as sports advisor meant dealing with customer requests, complaints, managing stock deliveries and ensuring security checks were carried out at opening/closing.

- Leadership - Staff management & delegation.
- Supply Chain Management - Stock level management including ordering low level/out of stock items.
- Adaptability - Multi-departmental training to adjust to store requirements
